

Homework II

Tom Kelliher, CS 240

50 points, due Feb. 17

In all cases, your solution should include the simplified Boolean expression for the given function.

1. 2-17.
2. 2-20.
3. 2-24.
4. 2-26. Do only sum of products. Note that in (a), the maxterm list is given.
