Attendance: Attendance of classes is expected. It is your responsibility to catch up on missed class work.

## **Electronic Communication:**

- From time-to-time, I will need to send e-mail messages to the class. These messages will be addressed to your official Goucher e-mail addresses. You are responsible for checking your e-mail on a timely basis.
- **Distractions:** Cell phones must be turned off or set to "silent" during class. If you must enter late, do so as unobtrusively as possible. Likewise if you must leave early. Please use mental telepathy if you must hold a personal conference during class. I have ways of making you not talk!
- Integrity: Academic dishonesty will not be tolerated. We are all bound by the Academic Honor Code.
