Homework III

Tom Kelliher, CS 240

50 points, due Mar. 1

1. 3-1.

2. 3-3.

3. 3-6.

4. 3-13.

5. 3-21. Your description should be clear and concise, as this is an instance of a common, standard circuit. (I can completely describe the circuit in about 15 words.)
