

# FrontPage Lab I

Tom Kelliher, CS 102

Oct. 24, 2003

## **1 Administrivia**

### **Announcements**

### **Assignment**

None.

### **From Last Time**

Finished up Paint Shop Pro.

### **Outline**

1. FrontPage demonstration.
2. Continue scanning demo.
3. FrontPage lab 1.

### **Coming Up**

More FrontPage.

## 2 FrontPage Demonstration

No FrontPage manual, so work on remembering how to do things! Try searching the Web for help — you're experts now!

1. Previewing your work — **save** first.
2. Using *Page Properties*.
3. Using the Formatting bar.
4. The *Hyperlink* button.
5. Inserting an image. Local images vs. Web images.
