Assignment

Read Chapter 2 Above and Beyond (pp. 95–112). Online quiz. Questions on pp. 113–114: A2, A5, A9, and A10.

From Last Time

Online Safety Lab III.

Outline

1. Computing Ethics Lab.
2. Written quiz.

Coming Up

Personal Safety Online.

2 Computing Ethics Lab

Introduce the ethical concepts of utilitarianism and deontology.

Working in groups of four or five, discuss as many of the case studies as time permits.
