2 Chapter Summary

1. The Free Software model.

2. The Open Source model.

3. The proprietary model.

3   Discussion Questions

1. Does everyone understand what a software license is?

2. Has anyone read one, end-to-end?

3. Should one of the models be legislated into use?

4. Should I be able to install a program on as many machines as I want, for just my use, regardless of what the license says?

5. Linux vs. SCO.
